There goes Nadine
Head to toe in black
There goes Nadine
Head to toe in black
When I see Nadine, I want that

Will she let me in
Underneath her clothes?
Will she let me in
Underneath her clothes?
That girl got skin like a ghost

There goes Nadine
Nadine, Nadine
There goes Nadine
Nadine, Nadine
There goes Nadine

I think that witchy lady
Been cookin' up some spells
When she walks on by
You know
I love the way she smells

She has a big gray car
She could take me for a ride
She has a big gray car
Could take me for a ride
Maybe we'll park and I'll drive

There goes Nadine
Nadine, Nadine
There goes Nadine
Nadine, Nadine, Nadine, Nadine
There goes Nadine
