On the sidewalk, the shitty sidewalk  
I guess I'm glad I'm rolling off of my feet  
On the sidewalk, the shitty sidewalk  
Some noisy guy is saying something to me

I roll a straight line on the bus line  
Naked behind a painted line  
Over train tracks, over beer cans  
Over blacktop soft beneath the sun

By the buildings, now the liquor store  
I'm going inside, gonna get me a coke  
It's end of work time, down at the liquor store  
Guys cashing their checks, trying to buy coke

On the sidewalk, the shitty sidewalk  
I guess I'm glad I'm rolling off of my feet  
It's almost night and just might  
Head to the strand down by the sea

Down at the edge, edge of the world  
That's where I really want to be  
And if I'm broke then I will cope  
Just rolling around is fine with me

Just rolling around is fine with me  
Just rolling around is fine with me
