Couldn't hang
With what's under your cover
Friday night
Ill be your daytime lover
Those one pop no stop catholic girls
Make me feel good

Time has come
For everyone to see her
She'll juggle flame
And watch those lions tease her
Those one pop no stop catholic girls
Make me feel good

Cause she's a big top woman
Yea she's my big top woman
She's a big top, hungry eyed

3 ring circus, lovely surprise

On the road
New York until Virginia
No matter what
This clown will never leave her
Those one pop no stop catholic girls
Make me feel good

Cause she's a big top woman
Yea she's my big top woman
She's a big top woman
Yea she's my big top woman
We'll she's a big top, hungry eyed
3 ring circus, lovely surprise
