Princess, you're my little princess
Oh how I adore you
What can I do for you
Your wish is my command
(Princess ooh)

Princess, tell me what your wish is
If it's in my power
I'll try every hour
To make your dreams come true
(Princess)

How can I tell you what's in my heart
Princess what can I say
I'll be your knight in shining armor
Show me some dragons to slay-ay-ay-ay

Princess, I will build a kingdom
In my arms I'll take you
To your throne and make you
A queen here in my heart
(Princess)

How can I tell you what's in my heart
Princess what can I say
I'll be your knight in shining armor
Show me some dragons to slay-ay-ay-ay

Princess, I will build a kingdom
In my arms I'll take you
To your throne and make you
A queen here in my heart
