Born against are fucking dead that's what the  
answering machine said looks  
Like this is ti!!! They talked one too many shit about the  
working class and  
The government did you hear what those faggots said  
in some fanzine someone  
Else read I heard they're a bunch of spoiled little rich  
kids who need to get  
Their asses kicked fucking ingrates! fukcing pussies!!  
Born against are  
Fucking dead dead dead born against are fucking  
dead by order of the post  
Master general just like the panthers only this time for  
real because the  
Feds have tapped their telephone
