Born against are fucking dead that's what the
answering machine said looks
Like this is ti!!! They talked one too many shit about the
working class and
The government did you hear what those faggots said
in some fanzine someone
Else read I heard they're a bunch of spoiled little rich
kids who need to get
Their asses kicked fucking ingrates! fukcing pussies!!
Born against are
Fucking dead dead dead born against are fucking
dead by order of the post
Master general just like the panthers only this time for
real because the
Feds have tapped their telephone
