There was this friend of mine, needed something we  
couldn't give convenient  
Answers and a cheap way out killed himself without  
actually dying, took a  
Blunt lie and gouged out his mind And I can't xcept that  
he's found the  
Answers to those questions I'll be trying to solve until I  
die And I can't  
Accept that he's somehow "better off" because the  
answers aren't that simple  
We always assumed he wasn't either and I want his  
beautiful religion to burn  
Because Steve's dead... I wasn't offered the chance to  
say goodbye.
