A foggy day in London town
Had me low and it had me down
I viewed the morning with much alarm
The British museum had lost it's charm
How long I wondered could this thing last
But the age of miracles it hadn't past
For suddenly I saw you standing right there
And in foggy London town the sun was shining
It was shining everywhere
How long I wondered could this thing last
But the age of miracles it hadn't past
For suddenly I saw you standing right there
And in foggy London town the sun was shining
everywhere
