Willie Nelson:

A foggy day in London town
Had me low and it had me down
I viewed the morning with much alarm

Frank Sinatra:

The British museum had lost it's charm
How long I wondered could this thing last
But the age of miracles it hadn't past

Willie Nelson:

For suddenly I saw you standing right there

Together:

And in foggy London town the sun was shining
It was shining everywhere

Frank Sinatra:

A foggy day in London town
Had me low and it had me down

Willie Nelson:

I viewed the morning with much alarm
The British museum had lost it's charm

Frank Sinatra:

How long I wondered could this thing last

Willie Nelson:

But the age of miracles it hadn't past
For suddenly I saw you standing right there

Frank Sinatra:

And in foggy London town the sun was shining
everywhere
