She: A kiss goodnight is alright, in fact remember this,
A kiss goodnight leads to another kiss.

He: A kiss goodnight with a hug real tight is nothing
short of bliss,

And a kiss goodnight, pow, leads to another kiss.

She: It's an old custom for a boy and a girl two-way
embrace,

In some secluded place.

He: Little Mr. Cupid, never could be bright or stupid
Has to do a turn-about face.

He: So it just ain't right to kiss goodnight, and stop at
three or four,

She: 'Cause a kiss goodnight leads to a dozen or more.

Both: So it just ain't right to kiss you goodnight, and
then stop at three or four, or more

'Cause a kiss goodnight leads to a dozen or more.
