Frank Sinatra
"All By Myself"

When I was young
I never needed anyone
Making love was just for fun
That day is done

Livin' alone
I think about the friends I've known
But when I dial the telephone
Nobody's home

All by myself
Don't wanna' be
All by myself
Anymore
All by myself
Don't wanna' live
All by myself
Anymore

Never too sure
Sometimes I'm so insecure
The love that's distant and obscure
Remains the cure

All by myself
Don't wanna' be
All by myself
Anymore

All by myself
Don't wanna' live
All by myself
Anymore

(instrumental)

All by myself
Don't wanna' be
All by myself
Anymore
All by myself
Don't wanna' live

All by myself
Anymore

When I was young
I never needed anyone
And making love was just for fun
Those days are gone
