

Frank Sinatra "All Of You"

Visit "[All Of You](#)" on MotoLyrics.com

I love the looks of you, the lure of you
The sweet of you and the pure of you
The eyes, the arms and the mouth of you
The east, west, north and the south of you

I'd love to gain complete control of you
Handle even the heart and soul of you
Love at least a small percent of me do
Because I love all of you

I love the looks of you, the lure of you
The sweet of you and the pure of you
The eyes, arms and the mouth of you
The east, west, north and that south of you

I'd love to gain complete control of you
And handle even the heart and soul of you
Love at least a small percent of me do
Because I, I love all of you
[Incomprehensible]
