All through the day I dream about the night,

I dream about the night, Here with you.

All through the day I wish away the time,

Until the time when I'm here with you.

Down falls the sun, I run to meet you,

The evening mist melts away;

Down smiles the moon, And soon your lips recall

The kiss I dreamed of all through the day

(Instrumental)

Down falls the sun, I run to meet you,

The evening mist melts away;

Down smiles the moon, And soon your lips recall

The kiss I dreamed of all through the day
