(America, America, America, America)

O beautiful for spacious skies, for amber waves of
grain
For purple mountain majesties above thy fruited plain!
America, America, God shed His grace on thee
And crown thy good with brotherhood from sea to
shining sea

(O beautiful for patriot dream that sees beyond the
years)
(Thine alabaster cities gleam undimmed by human
tears)
America, America, God shed His grace on thee
And crown thy good with brotherhood from sea to
shining sea
