She's a fool and don't I know it
But a fool can have her charms
I'm in love and don't I show it
Like a babe in arms
Love's the same old sad sensation
Lately I've not slept a wink
Since this half-pint imitation's
Put me on the blink
I'm wild again, beguiled again
A simpering, whimpering, child again
Bewitched, bothered and bewildered am I
Couldn't sleep, wouldn't sleep
Love came and told me I shouldn't sleep
Bewitched, bothered and bewildered am I
Lost my heart, but what of it?
She is cold, I agree
She can laugh and I love it
Although the laugh's on me
I'll sing to her, bring spring to her
And long for the day when I cling to her
Bewitched, bothered and bewildered am I
I'll sing to her, bring spring to her
And long for the day when I cling to her
Bewitched, bothered and bewildered am I
I'll sing to her, bring spring to her
And long for the day when I cling to her
Bewitched, bothered and bewildered am I
I'll sing to her, bring spring to her
And long for the day when I cling to her
Bewitched, bothered and bewildered am I
I'll sing to her, bring spring to her
And long for the day when I cling to her
Bewitched, bothered and bewildered am I
