If you're feeling sad and lonely
There's a service I can render
Tell the one who loves you only
I can be so warm and tender

Call me, don't be afraid
You can call me, maybe it's late
But just call me
Tell me and I'll be around

When it seems your friends desert you
There's somebody thinking of you
I'm the one who'll never hurt you
Maybe that's because I love you

Call me, don't be afraid
You can call me, maybe it's late
But just call me
Tell me and I'll be around

Now don't forget me
Because if you let me
I will always stay by you

You got to trust me
That's how it must be
There's so much that I can do

If you call, I'll be right with you
You and I should be together
Take this love I long to give you
I'll be at your side forever

Call me, don't be afraid
You can call me, maybe it's late
But just call me
Tell me and I'll be around

Call me, don't be afraid
You can call me, maybe it's late
But just call me
Tell me and I'll be around
