All day long before my eyes come little visions of you.  
They shouldn't, they mustn't, but they do, they do.

And I can't get out of this mood, can't get over this  
feeling  
Can't get out of this mood, last night your lips were too  
appealing  
The thrill should have been all gone by today in the  
usual way  
But it's only your arms I'm out of.  
Can't get out of this dream, what a fool I was to dream  
of you  
'twasn't part of my scheme to sigh and tell you that I  
love you  
But I'm sayin' it, I'm playin' it dumb  
Can't get out of this mood, heartbreak, here I come  
The thrill should have been all gone by today in the  
usual way  
But it's only your arms I'm out of.  
Can't get out of this dream, what a fool I was to dream  
of you  
'twasn't part of my scheme to sigh and tell you that I  
love you  
But I'm sayin' it, yes, I'm playin' it dumb  
Can't get out of this mood, heartbreak, here I come  
This mood, can't get out of this mood, can't get out of  
this mood
