Can't you just see yourself in a gingham gown?
Little pink ribbons tied in your hair
Sitting there by my side when we ride through town
Folks'll turn around, oh, how they'll stare

Can't you just see yourself on a porch with me?
Watching a show that stars give for free
One little word can do it, so say the word
And we'll have dozens of chicks, a house in the sticks
Where people are glad to be known as hicks
Can't you just see yourself in love with me?

Can't you just see yourself on a porch with me?
Watching a show that stars give for free
One little word can do it, so say the word
And we'll have dozens of chicks, a house in the sticks
Where people are glad to be known as hicks
Can't you just see yourself in love with me?
