Day in-day out

The same old voodoo follows me about

The same old pounding in my heart

Whenever I think of you and darling, I think of you

Day in and day out

Day out-day in

I needn't tell you how my days begin

When I awake I awaken with a tingle

One possibility in view

That possibility of maybe seeing you

Come rain-come shine

I meet you and to me the day is fine

Then I kiss your lips and the pounding becomes

The oceans roar, a thousand drums

Can't you see it's love? Can there be any doubt

When there it is, day in-day out?
