Writer(s): antonio carlos jobim - john kendricks -
newton mendonca

When I try to sing you say I'm off key
Why can't you see how much this hurts me
With your perfect beauty and your perfect pitch
You're a perfect terror
When I come around must you always put me down

If you say my singing is off key my love
You will hurt my feelings don't you see my love
I wish I had an ear like yours
A voice that would behave
But all I have is feelings and a voice gone deaf

You insist my music goes against the rules
But rules were never meant for lovesick fools
I wrote this little song for you but you don't care

Its a crooked song oh but all my love is there

The thing that you would see if you would play your
part
Is even if I'm out of tune I have a gentle heart
I took your picture with my trusty rollaflex
And now all I have developed is a complex

Possibly in vain I hope you weaken oh my love
And forget these rigid rules that undermine my dream
of
A life of love and music with someone who'll
understand
That even though I may be out of tune
When I attempt to say how much I love you
All that matters is the message that I bring
Which is my dear one I love you
