The French are glad to die for love  
they delight in fighting duels  
But I prefer a man who lives and gives expensive  
jewels

A kiss on the hand may be quite continental  
But diamonds are a girls best friend  
A kiss may be grand but it wont pay the rental on your  
humble flat  
or help you at the automat  
Men grow cold as girls grow old and we all lose our  
charms in the end  
But square cut or pear shaped these rocks dont lose  
their shape  
Diamonds are a girls best friend  
TIFFANYS! CARTIER! Black Star, Rossgorm,  
Talk to me Harry Winston - tell me all about it!

There may come a time when a lass need her lawyer  
But diamonds are a girls best friend  
There may come a time when a hard boiled employer  
thinks  
you're awful nice but get that ice or else no dice

He's your guy when stocks are high  
But beware when they start to descend  
Its then that those louses go back to their spouses  
Diamonds are a girls best friend

I've heard of affairs that are strictly platonic  
But diamonds are a girls best friend  
And I think affairs that you must keep blousonic are  
better bets  
if little fets get big baguettes  
Time rolls on and youth is gone and you cant  
straighten up when you bend  
But stiff back or stiff knees you stand straight at  
Tiffanys  
Diamonds...diamonds... I dont need rhinestones  
But diamonds are a girls best...best friend
