I must confess what you say is true  
I had a rendezvous with somebody new  
That's the only one I ever had  
Baby, baby, don'cha go away mad

Cheatin' shows and it never goes  
You got a reason to be mad I suppose  
But she only was a passin' fad  
Ba-by, don't you be mad

Her kind's a dime a dozen  
And that's not the kind I want  
Who'd ever dream your cousin  
Would wander into that restaurant?

I understand that you feel upset  
Whaddya you say that you forgive and forget?  
Come on and kiss me just to show you're glad  
Baby, baby don'cha go away mad

Now, her kind's a dime a dozen  
I should've passed her by  
Who'd ever dream your cousin  
Would come along and give us the eye?

I understand that
