O give me land, lots of land, and the starry skies above  
Don't fence me in  
Let me ride through the wide open country that I love  
Don't fence me in

Let me be by myself in the evening breeze  
Listen to the murmur of the cottonwood trees  
Send me off forever but I ask you please  
Don't fence me in

Just turn me loose, let me straddle my on saddle  
Underneath the western skies  
On my cayuse, let me wander over yonder  
Till I see the mountains rise

I want to ride to the ridge where the West commences  
To many words, gaze at the moon till I lose my senses  
Can't look at hobbles and I can't stand fences  
Don't fence me in

O give me land, lots of land, and the starry skies above  
Don't fence me in  
Let me ride through the wide open country that I love  
Don't fence me in

Let me be by myself in the evening breeze  
Listen to the murmur of the cottonwood trees  
Send me off forever but I ask you please  
Don't fence me in

Just turn me loose, let me straddle my on saddle  
Underneath the western skies  
On my cayuse, let me wander over yonder  
Till I see the mountains rise

I want to ride to the ridge where the West commences  
Gaze at the moon till I lose my senses  
Can't look at hobbles and I can't stand fences  
Don't fence me in
