You are the summer and I am the autumn  
Don't wait too long  
Your song's beginning while mine's nearly sung  
Don't wait too long

Fall is a lovely time of the year  
When leaves turn to golden brown  
But soon fall is ending and winter is near  
And the leaves start tumblin' down

Why must the moments go by in such haste?  
Don't wait too long  
Winter is coming, I've no time to waste  
Don't wait too long

So while my heart's gay and foolish  
And free and still can sing its song  
Share every precious moment with me  
Don't you wait too long

Don't wait too long  
Don't wait too long

So while my heart's gay and foolish  
And free and still can sing its song  
Share every precious moment with me  
Don't wait too long
