Embrace me, my sweet Embraceable You
Embrace me, you irreplaceable you

Just one look at you
My heart grew tipsy in me
You and you alone
Bring out the gypsy in me

I love all the many charms about you
Above all, I want these arms about you

Dont be a naughty baby
Come to papa, come to papa do
My sweet Embraceable You

I love all the many charms about you
Above all, I want my arms about you

So dont you be, a naughty baby
Come to papa do
My sweet Embraceable You

And this interesting variation is from franks album
Frank Sinatra the voice-the columbia years-disc 1

Embrace me, my sweet Embraceable You
Embrace me, my silk-and-lace-able you
Im in love with you, I am and verily so
But youre much too shy, unnecessarily so

I love all the many charms about you
Above all, I want my arms about you
Dont be a naughty baby, come to papa, do
My sweet Embraceable You

I love all the many charms about you
Above all, I want these arms about you
So, dont be a naughty baby, come to papa, do

My sweet Embraceable You
