"Every Man Should Marry"

Every man should marry, every girl should wed,
You will find no truer words ever have been said.
Every man is sentimental, he's just a dreamer at heart,
He needs someone soft and gentle to give his dream a
start.

I don't know how to tell you, don't know what to say,
Something has come over me, since you came my way.
Yes, I'm plain old-fashioned, old-fashioned as can be,
Every man should marry, won't you marry me?
Don't know how to tell you, I don't know what to say,
Something has come over me, since you came my way.
Guess I'm plain old-fashioned, old-fashioned as can
be,
Every man should marry, won't you marry me?
