Ev'ryday I love you just a little bit more, just a little bit more, just a little bit more'

Ev'ryday I want you just a little bit more than I did the day before,

You'll never guess how deep my love is, not even in your wildest dream,

But just so you'll get it clear; compared to my love, my dear,

The Mississippi River's just a stream,

Ev'ryday I love you just a little bit more, just a little bit more, just a little bit more, Ev'ryday I want you just a little bit more, than I did the day before
