Every kiss, every hug  
Seems to act just like a drug  
You're getting to be a habit with me.  
Let me stay, In your arms  
I'm addicted to your charms  
You're getting to be a habit with me.

I used to think your love was something that I could  
take  
Or leave alone  
But now I just can't do without my supply, I need you  
For my own

No I can't break away,  
I must have you every day  
As regularly as coffee or tea  
You've got me in your clutches and I can't break free.

You're getting to be a habit with me. (2x)

No I can't break away,  
I must have you every day  
As regularly as coffee or tea  
You've got me in your clutches and I can't break free.

You're getting to be a habit with me. (2x)
