

## Frank Sinatra "Good Thing Going"

It started out like a song  
We started quiet  
And slow with no surprise  
Then one morning  
I woke to realize  
We have a good thing going

It's not  
That nothing went wrong  
Some angry moment of course  
But just a few  
And only moments  
No more because we knew  
We had a good thing going  
And if I wanted too much  
Was that such a mistake?

Half the time  
You never wanted enough  
Oh, wake up  
I don't make that a crime  
And while it's going along  
You take for granted  
Some love will wear away  
We took for granted a lot  
And still I say  
It could have  
Kept on growing  
Instead of just kept on  
We had a good thing  
Going, going, gone

And if I wanted too much  
Was that such a mistake?  
Half the time  
You never wanted enough  
Oh, wake up  
I don't make that a crime  
And while it's going along  
You take for granted  
Some love will wear away  
We took for granted a lot

And still I say  
It could have kept on going  
Instead of just kept on  
We had a good thing  
Going, going, gone
