There'll be a hot time
In the town of Berlin
When the lads go marchin' in
I'd like to be there boy,
And spread some joy
When they take old Berlin

There'll be a hot time
In the town of Berlin
When our fightin boys begin
To take the joint apart
And tear it down
When they take old Berlin

They're gonna start a row
And show them how
We paint the town back, in Kokomo
They're gonna take a hike
Through Hitler's reich
And change that 'heil' to 'what ya know, Joe'

There'll be a hot time
In the town of Berlin
When the lads go marchin' in
You could never keep 'em happy down on the farm
After they take Berlin

They're gonna start a row
And show them how
They'll sock from Berlin to Tokyo
They're gonna take a hike
Through Hitler's reich
And change that 'heil' to 'what ya know, Joe'

There'll be a hot time
In the town of Berlin
When the lads go marchin' in
You could never keep 'em happy down on the farm
After they take Berlin
