How do you keep the music playing?
How do you make it last?
How do you keep the song from fading too fast?

How do you lose yourself to someone
And never lose your way?
How do you not run out of new things to say?

And since you know we're always changing, how can it
be the same?
And tell me how year after year
You're sure your heart will fall apart each time you hear
his name?

I know the way I feel for you it's now or never
The more I love, the more that I'm afraid
That in your eyes I may not see forever, forever

If we can be the best of lovers, yet be the best of
friends
If we can try with every day to make it better as it grows
With any luck then I suppose the music never ends

I know, the way I feel for you, it's now or never
The more I love, the more that I'm afraid
That in your eyes I may not see forever, forever

If we can be the best of lovers, yet be the best of
friends
If we can try with every day to make it better as it grows
With any luck then I suppose the music never ends
