Can't get out of this mood, can't get over this feeling  
Can't get out of this mood, last night your lips were too  
appealing  
The thrill should have been all gone by today in the  
usual way  
But it's only your arms I'm out of

Can't get out of this dream, what a fool to dream of you  
Wasn't part of my scheme, to sigh and to tell you that I  
love you  
But I'm saying it, I'm playing it dumb  
Can't get out of this mood, heartbreak, here I come

But I'm saying it, I'm playing it dumb  
Can't get out of this mood, heartbreak, here I come
