I cant stop lovin' you  
So I've made up my mind  
To live, to live in memory  
Of old lonesome times

I can't stop wantin' you  
It's useless to say  
So I'll just live my life  
I'll live it all in dreams of yesterday

Those happy hours  
That we once knew  
Though long ago  
They make me so blue

They say that time  
Heals a broken heart  
But time has stood still  
Since we've been apart

Ain't no use to try  
To try to pretend  
There's someone new  
I'd been livin' a lie

I can't stop wantin' you  
The way that I do  
There's only been one love for me  
That one love is you

There's only been one love for me  
That one love is you  
Hear me, baby, there's been only one love for me  
That one love is you
