Could have danced all night
Could have danced all night
And still have begged for more

Could have spread my wings
And done a thousand things
I've never, never done before

I'll never know what made it so exciting
But all at once my heart took flight
I only know when she began to dance with me
I could have danced, danced, danced, danced
Danced, danced, danced, danced

I could have danced all night
I could have danced all night
And still have begged for lots more

I could have spread my wings
And done a zillion things
I've never, never done before

I'll never know what made it so, so exciting
But all at once my heart it took flight
I only know when she began to dance with me
I could have danced, could have danced
I could have danced, danced, danced all night
