I guess I'll have to change my plan  
I should have realized there'd be another man  
I overlooked that point completely  
Until the big affair began

Before I knew where I was at  
I found myself upon the shelf and that was that  
I tried to reach the moon but when I got there  
All that I could get was the air

My feet are back upon the ground  
I lost the one girl I'd found

Before I knew where I was at  
I found myself upon the shelf and that was that  
I tried to reach the moon but when I got there  
All that I could get was the air

My feet are back upon the ground  
I lost the one girl  
The one girl I'd found

My boiling point is much too low  
For me to try to be a fly Lothario
