In a dream the strangest and the oddest things appear
And what insane and silly things we do.
Here is what I see before me, vividly and clear:
As I recall it, you were in it, too.

I had the craziest dream, last night - yes I did
I never dreamt it could be
Yet there you were - in love with me

I found your lips close to mine - so I kissed them
And you didn't mind it at all
When I'm awake, such a break never happens
How long can I guy go on dreaming

If there's a chance that you care
Then, please, say that you do baby
Say it and make my craziest dream come true
