I have but one heart, this heart I bring you
I have but one heart to share with you
I have but one dream that I can cling to
You are the one dream I pray comes true

My darling, until I saw you I never felt this way
And nobody else before you ever has heard me say
You are my one love, my life I live for you
I have but one heart to give to you

Dicimo o mari, facimu l'amore
A curi a curi che ci passa
Ca u mare parla e na' carezza
Ma a tia la brezza, fina murir

You are my one love, my life I live for you
I have but one heart to give to you
