I have dreamed that arms are lovely
I have dreamed what a joy, you'll be
I have dreamed every word, you whisper

When you're close, close to me
How you look in the glow of evening
I have dreamed and enjoyed the view

In these dreams, I've loved you so
That by now I think, I know
What it's like to be loved by you
I will love being loved by you

Alone and awake, I've looked at the stars
The same that smile on you
And time and again, I've thought all the things
That you were thinking too

I have dreamed that arms are lovely
I have dreamed what a joy, you'll be
I have dreamed every word, you whisper

When you're close, close to me
How you look in the glow of evening
I have dreamed and enjoyed the view

In these dreams, I've loved you so
That by now I think, I know

What it's like to be loved by you
I will love being loved by you
