By a country road wild roses grow  
That need my special care  
So I haven't time to be a millionaire

And a cheerful brook on a mountain side  
Is sad when I'm not there  
So I haven't time to be a millionaire

And a friendly gang of robins  
Are peeved when I forget  
That I'm the second tenor in their quartet

So with all the things I have to do  
I'm very much aware  
If I wished for wealth it wouldn't be quite fair  
'Cause I haven't time to be a millionaire
