I love you comes the April breeze  
I love you echo the hills  
I love you the golden dawn agrees  
As once more she sees daffodils

It's spring again  
And birds on the wing again  
Start to sing again  
The old melody

I love you  
That's song of songs  
And it all belongs  
To you and me

It's spring again  
And birds on the wing again  
Start to sing again  
The old melody

I love you  
That's the song of songs  
And it all belongs  
To you and me
