I always thought that I'd prefer single-blessed-ness  
Thought that I'd like to stay free  
I never thought my time would come to marry  
No wedding bells for me

I've changed my mind after all  
You are the one, made me fall, for  
I used to smile at all the songs that were popular  
Nothing but love in each song

I used to think those kind of songs were foolish  
Now, I admit I'm wrong  
Love songs are part of my plan  
Show me the minister man, for

I never knew I could love anybody  
Honey, like I'm loving you  
I couldn't realize what a pair of eyes  
And a baby smile could do

I can't sleep, I can't eat  
I never knew a single soul could be so sweet  
I never knew I could love anybody  
Honey, like I'm loving you
