I wanna be around to pick up the pieces  
When somebody breaks your heart  
Somebody twice as smart as I

Somebody who will swear to be true  
Like you used to do with me  
Who'll leave you to learn that misery  
Loves company, wait and see

I wanna be around to see how he does it  
When he breaks your heart to bits  
Let's see if the puzzle fits, so fine

And that's when I'll discover that revenge is sweet  
As I sit there applauding from a front row seat  
When somebody breaks your heart like you broke mine

And that's when I'll discover that revenge is sweet  
As I sit there applauding from a front row seat  
When somebody breaks your heart like you broke mine

Like you, like you broke mine
