If I could be with you, I'd love you strong
If I could be with you, I'd love you long
I want you to know that I wouldn't go
Until I told you, honey, why I love you so

If I could be with you one hour tonight
If I was free to do the things that I might
I'm tellin' you true, I'd be anything but blue
If I could be with you

I want you to know that I wouldn't go
Until I told you, baby, why I love you so

If I could be with you one hour tonight
If I was free to do the things that I might
I'm tellin' you true, I'd be anything but blue
If I could be with you

If I could be with you
