If I could be with you, I'd love you strong,  
If I could be with you, I'd love you long,  
I want you to know I wouldn't go,  
Until I told you, honey, why I love you so.

If I could be with you one hour tonight,  
If I was free to do the things I might,  
I'm telling you true, I'd be anything but blue,  
If I could be with you.

If I could be with you, I'd love you strong,  
If I could be with you, I'd love you long,  
I want you to know I wouldn't go,  
Until I told you, honey, why I love you so.

If I could be with you one hour tonight,  
If I was free to do the things I might,  
I'm telling you true, I'd be anything but blue,  
If I could be with you.  
For just an hour

If I could be with you.
