I'd like to make your golden dreams come true, dear,  
If I only had my way.  
A paradise this world would seem to you, dear,  
If only I had my way.

If I had my way, dear, forever there's be  
A garden of roses for you and for me,  
A thousand and one things, dear, I would do,

Just for you, just for you, just for you.  
If I had my way, we would never grow old,  
And sunshine I'd bring every day,  
You would reign all alone, like a queen on a throne,  
If I had my way.
