If loveliness were music  
I'd hear a symphony every time I look at you  
If loveliness were music  
I know your charms would be heavenly to listen to  
I'd hold you near, and then I'd hear the ringing, singing  
Of themes from angels' dreams

If loveliness were music  
The sight of you would fill  
All the world with songs that thrill  
Earth and heaven too  
Would echo songs of you

(musical interlude)

I'd hold you near, and then I'd hear the ringing, singing  
Of themes from angels' dreams

If loveliness were music  
The sight of you would fill  
All the world with songs that thrill  
Earth and heaven too  
Would echo songs of you
