If you go away on the summer day  
Then you might as well take the sun away  
All the birds that flew in the summer sky

When our love was new and our hearts were high  
When the day was young and the night was long  
And the moon stood still for the night bird's song

If you go away, if you go away  
If you go away, if you go away

But if you stay, I'll make you a day  
Like no day has been, or will be again  
We'll sail the sun, we'll ride on the rain

We'll talk to the trees, worship the wind  
Then if you go, I'll understand  
Leave me just enough love to fill up my hand

If you go away, if you go away  
If you go away, if you go away

If you go away, as I know you must  
There'll be nothing left in the world to trust  
Just an empty room, full of empty space

Like the empty look I see on your face  
I'd have been the shadow of your dog  
If I thought it might have kept me by your side

If you go away, if you go away  
If you go away, please, don't go away
