I'll be seeing you  
In all the old familiar places  
That this heart of mine embraces  
All day through

In the small cafe, the park across the way  
The children's carousel  
The chestnut trees, the wishing well  
And I'll be seeing you

In every lovely, summer's day  
And everything that's light and gay  
I'll always think of you that way

I'll find you in the morning sun  
And when the night is new  
I'll be looking at the moon  
But I'll be seeing you

I will find you in the morning sun  
And when the night is new  
I'll be looking at the moon  
But I'll be seeing you
