You may not be an angel, 'cause angels are so few
But until the day that one comes along, I'll string along
with you
I'm looking for an angel, to sing my love so to
And until the day that ones along, I'll string along with
you

For every fault that you have, say, I've got three or four
The human little faults that you do have, just make me
love you more
You may not be an angel, but still I'm sure you'll do
So until the day that one comes along, I'll string along
with you
