I was just another who laughed at romance,
I said it was not for me.
Then you made your entrance and right at a glance,
I knew it was meant to be.
Never thought I'd fall, but now I hear love call,
I'm getting sentimental over you.
Things you say and do just thrill me through and
through,
I'm getting sentimental over you.
I thought I was happy, I could live without love,
Now I must admit, love is all I'm thinking of.
Won't you please be kind, and just make up your mind
That you'll be sweet and gentle, be gentle with me
Because I'm sentimental over you.
